by an Apt. San. Inspector who will look after the conservancy of the Town. It is not known whether any security should be required from him as he does not deal with money matters.

7 As regards Mohatarfa Mutsaddi and Achan Head Muharrir, a security of ~~fee~~ Rs 100 from each may be demanded. It is however a question whether this is absolutely necessary. If accounts be properly maintained and they are ~~pro~~ scrutinized from time to time, there is no chance of any large amount accumulating in their hands as they are required to remit to the Treasury ~~pass~~ from time to time the amounts collected.

8 In the case of the cattle-pound Keeper, no security seems necessary.
